Holbrook Junior Senior High School

**245 South Franklin Street
Holbrook, Massachusetts 02343**

Volume LXXIV

**A Message from
David J. Sweeney,
Principal**

In September of 1991, I came to Holbrook Junior Senior High School with hopes, expectations and goals. Now seven years later, I am leaving with the belief that many of these have been realized and achieved. But, education is an ongoing process that is constantly in flux. It must be nurtured and updated, revised and re-evaluated.

One of my goals for HJSHS was to ensure that this process would be initiated to provide for the continued success of education in Holbrook, and for the success of our students and graduates in the outside world. I believe that I have attained this goal and that, as I leave HJSHS with a sense of pride, nostalgia and satisfaction, our school is ready to enter the 21st century, prepared to become an important part of the new millennium.

I thank you all for your co-operation, friendship and efforts which have made my years here enjoyable and productive.

I wish the Class of 1998, and all of you, success in the years to come.

THANK YOU, MRS. C.

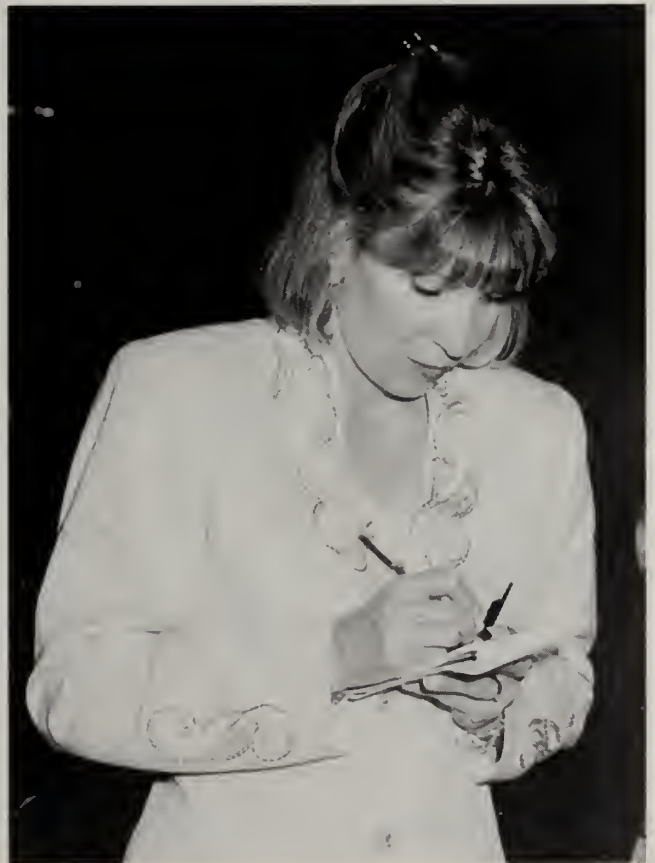

Mrs. Cosindas, it is difficult to put into words how much you have meant to us over the past four years. You have guided us through the good times and the bad, not only as an advisor and teacher, but also as a friend.

Your commitment to us has been far above and beyond the call of duty. It is impossible to ever thank you adequately for the time and support that you have given to us, no matter how outlandish our ideas; whether it was selling nachos and pretzels on a Friday night or spending a night in New Jersey with thirty-three high school seniors.

We will never forget you for always being there for us and for making our years at Holbrook High the best they could be.

With all our love and appreciation,

The Class of 1998
